## Episode # 9

### #. SCENE 4. Saleem's Casino

(Chuck, Ansid, Binny, Buff-bot, Zeeloria)

#. SOUND: IN THE LOUNGE

#. CHUCK: Ansid, do you remember the Rock top job?  
Caalo was gogging hard, and almost hooked up with  
a Magnanite.

Not even sure how that works.

#. ANSID: \*laughs\*

#. BINNY: What does "hooked up" mean?

#. CHUCK: (STAMMERING) Oh, uh...well.

#. ANSID: You know Binny, why don't you go into the rec room  
and spend some time with the Virtual-Blaster.  
I want you to finish level 13 - gotta get your  
reflexes sharper if you want to be a pilot.

#. BINNY: Ok dad

#. SOUND: ZEELORIA WALKS IN

#. BINNY: High Auntie Z.

#. BUFFBOT: Hey Kiddo, it's never too early to start a muscle  
building regimen.

The Buffinator was curling 20 pounders when he was  
3!

#. ZEELORIA: Alright, give it a rest, Buff-bot.

#. BINNY: That robot is COOL!

Dad, can I have one? I want muscles too!

#. ANSID: We'll talk later, now go practice.

#. BINNY: Okay, but level 13 is really tough

#. ZEELORIA: Ya know I finished all 83 levels of the Virtual-  
Blaster. I can give you some pointers if you  
want. Just let me know, some of those levels are  
REALLY tough.

#. BINNY: Thanks Auntie Z!

#. SOUND: BINNY WALKS OUT
